Action Taken Report on the Feedback Analysis of the Syllabus by Students,
Teachers, Employers & Alumni, AY: 2023-2024:

To maintain the quality and teaching - learning activities of the prescribed syllabi the college has collected feedback from various stakeholders viz. Students, Teachers, Employers and Alumni. In this regard as usual this academic year (2023-24) also feedback has been collected from all the stakeholders as pointed above and the following actions have been taken:

The analysis of Teachers' Feedback on Syllabus clearly shows that the syllabus is well organized and easy to follow. Precisely second preference of the faculty members find the syllabus enhances the faculty members ability to design quizzes/tests/assignments/examinations and projects to evaluate students effectively. Third preference of them are satisfied with the learning objectives are clear and approximate to the needs of students. Fourth preference regarding the syllabus is designed according to students learning ability. Fifth preference is given to the current syllabus helps students to get internship/ project work.

Action taken for the above analysis: After analysing the above analysis of the teachers, some teachers suggested for industrial visits and field visits which are relevant to corporate sector/MNCs. As per the suggestion given by the faculty members the National Seminar on Dr.Shivarama Karanth and his works was organized in association with Kannada Development Authority, Govt. of Karnataka. So also Management activities for BBA students were also conducted.

The analysis of Students' Feedback on Syllabus displays that majority of the students says the objectives are appropriate and of relevance to the syllabus. Among the students who submitted the feedback, Second preference of the students is that the sequence & units in the syllabus is in order and third preference opine that the Quality and Quantity of the syllabus is apt. Fourth preference of students states that the syllabus can be covered on time.

Action taken for the above analysis: By taking into the consideration of the above analysis a few students opined that they need more exposure like field visits, Industrial visits. So, the college had arranged more and more field visits and Industrial visits also.

The analysis of Employers Feedback on Syllabus displays that majority of them are satisfied with the contents of the syllabus which is job oriented. Among the Employers who submitted the feedback, second preference of employers find it the sequence & units in the syllabus is in order and third preference is opined that the syllabus is matched with the Industry requirement. Fourth preference is given to that the syllabus is appropriate and of relevance to the syllabus.

Action taken for the above analysis: As per the employers' feedback more industrial visits were arranged. So that the students can interact with the higher ups and would learn the rudiments of the industries. Through the industrial visits and placement training, students also got equipped with industrial requirements.

The alumni feedback on the syllabus acknowledges that the syllabus contains the Quality and Quantity of the syllabus is apt. The second preference is the sequence & units in the syllabus in order. The third preference is the objectives are appropriate and of relevance to the syllabus. The fourth preference is the contents of the syllabus are job oriented.

Action taken for the above analysis: While taking into account of the feedback of the alumni the college arranged placement training wherein the topics such as communication skills, aptitude, grooming, interview techniques were imparted. Along with the above, industrial visits also were arranged as per the alumni feedback.
