### Say No to Plastic Programme: a report

On 02-12-2022 at 10 AM CoC in association with Eco Club (Prakriti) organised 'Say No to Plastic' as part of 'National Pollution Control Day'. In this connection a JATHA was organised to create awareness regarding the evil effects of Plastic at 'Byalakere' and conveyed the villagers about the prohibition of Plastic use.

Students of first year B.Com D Department, B.Com BDA Department and BBA Aviation Department participated in this programme.

First, the students held placards about pollution control and started the work of creating awareness from the gate of Byalakere village. On this occasion, the lecturers also visited each and every shop and told them about the plastic ban. We had explained the ill effects of the Plastic usage. Besides awareness was also created by going from house to house in the streets of the village.

A plan was put in place to realize how this pollution could be prevented. In the near future, we have planned to reduce the use of plastic by preparing and distributing cloth bags instead of plastic on behalf of our college. Better results can be expected from this.
