

THE INSTITUTIONAL PERSPECTIVE PLANS

The following are the long-term aspirations of the institution which are aligned to vision and mission statements:

- To become a **Centre of Excellence** in academics in the teaching learning process
- To provide opportunities for a holistic development of students especially instilling values and commitment to the development of the country.
- To ensure that students develop employability skills to fit into relevant industries.
- To produce socially responsible citizens.
- To engage in community development activities and contribute to the development of the local community.
- To make Dr. N.S.A.M. First Grade College a college of choice for student community in Bangalore.
- To attain NAAC accreditation with A+
- To establish a **Research Centre**.
- To develop the research culture in the college, with faculty and students engaging in meaningful research activities
- To build a synergetic relationship with Industry and Government agencies that would benefit the students (for internships, placements) and faculty (sharing of expertise through consultations/research)
- To develop the campus that follows the 'Go Green Philosophy' of environmental sustainability.
