<b>Highlights of the Event</b>	<p>The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in ancient India. The Indian Prime Minister Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.</p> <p>Following the initial proposal, the UN adopted the draft resolution, entitled "Day of Yoga", in 2014. The consultations were convened by the delegation of India. In 2015 Reserve Bank of India issued a 10 rupees commemorative coin to mark the International Day of Yoga. In April 2017, UN Postal Administration (UNPA) issued 10 stamps on Asanas on a single sheet to mark International Day of Yoga.</p>

	<p>International Day of Yoga is observed on June 21 every year. This day celebrates the ancient physical, mental and spiritual practice of yoga. It also aims to promote the many benefits of practicing yoga.</p> <p><b>The theme for International Yoga Day in 2024 is "Yoga for Self and Society", This year marks the 10th International Day of Yoga.</b></p>

As per Community Orientation Club's plan, mobile library activity is being conducted three days in a week (i.e. every Monday, Wednesday and Friday). In this case one faculty member who is a committee member and some student volunteers and a Library staff visit the villages. Initially this activity was organised for 2 days a week. But based on the request of the public, it has been extended for 3 days in a week from July 2023 onwards.

Moreover, by making a mobile library system enhances the reading skills amongst the public and we are also trying to create awareness about the conservation of nature by displaying placards.

<b>Suggestions for Improvement</b>	<b>Such activities can conduct during the summer</b>

Humans are different from all the animals on this earth; in many aspects such as language, intelligence, behavior, knowledge and science, and technology. Therefore, it is a very commendable factor for humans to reflect humanity.

We all know that there has been no proper rain this year compared to last year and the global temperature has increased. Due to this, livestock, animals and birds and many more animals are suffering from lack of water in this summer heat. In this regard, the COC committee of our college, has organized a 'watering program' on the occasion of Ugadi festival on 08-04-2024, especially by teachers and students, by keeping a bowl of water in their courtyards and watering the animals and birds. This instilled a helping attitude, environmental awareness, love and care for animals and birds amongst the students.

### Concluding Remarks by the Convener and the members

We, from the Youth Red Cross Unit of DR. N.S.A.M FGC have conducted various events in Academic Year 2023- 2024. Global observances like World Disaster Management Day, World Handwash Awareness Day, World Handicraft Day, and National Youth Day converge with a singular aim: to inspire awareness, action, and societal engagement. These events serve as vital platforms to address multifaceted challenges. World Disaster Management Day prompts proactive discussions through essay competitions, focusing on disaster resilience and community empowerment. Simultaneously, World Handwash Awareness Day utilizes art to amplify the significance of hand hygiene, employing pencil sketching competitions as a creative vehicle for education. World Handicraft Day becomes a canvas to celebrate cultural heritage, uniting artisans and enthusiasts to preserve traditional crafts. National Youth Day harnesses youthful altruism through blood donation camps, channeling the vigor of the younger generation toward humanitarian causes. These observances transcend borders, fostering unity and empowerment. By promoting education, cultural appreciation, health initiatives, and community involvement, they galvanize collective efforts toward a more resilient, compassionate, and culturally enriched global society. One event was not conducted during the year because of the sudden declaration of the university examination.
